

**REMARKS**

This paper is responsive to the Office Action mailed December 30, 2003. In the Advisory Action the Examiner indicated that although she did not deem the amendment presented October 3, 2003 to put the application into condition for allowance that upon Appeal, it would be entered and that claims 1, 4 to 14, 18 to 21 and 23 to 28 would be allowed. Applicants submit the proposed amendment, this time canceling all of the claims which were not indicated as being allowed. Applicant submits that the application is presently in condition for allowance and requests favorable review and early notice of allowance of the application.

Respectfully Submitted,

Andrew C. Farmer
